MUHAMMAD, THE MINISTRY YEARS

- ❖ When Muhammad came down the mountain, he was filled with fear, was physically exhausted, and was nursed back to health in Khadija's arms.
- ❖ Khadija's cousin Waraqa, a Christian Biblical scholar, said Muhammad's experience of God was like that of Moses' and that Muhammad was truly the **PROPHET** of the Arab people.
- ❖ Muhammad came to believe that God had chosen him as God's **MESSENGER**.
- ❖ Even though he was illiterate, he continued receiving portions of the Quran for the next 21 years until it was complete.
